**Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds**

For grants, there is a competitive process with a RFP that potential grantees respond to. There are specific eligibility requirements and they are scored by a non-partial scoring team through a specific process using a scoring rubric. After the grants are awarded, there is an implementation agreement. A quarterly process report is required with grant deliverables, including the grantee's budget, and a final report is due at the end of the grant disbursement period. For targeted projects to fund agency and organizational partners, the process is not competitive. An implementation agreement is developed, however, where terms are detailed and the grantee is monitored as they work through the deliverables.
